Selective Leadership Development Program
Emerging Leaders is a one year leadership development program designed to provide highly motivated College of Business juniors with a high-quality transformational experience focused on career and leadership development.

Our Foundation:
- Weekly 2 hour leadership development classes
- Personal faculty assistance to support and challenge students
- Formalized peer mentor program
- Executive engagements with business professionals
- Annual networking trip with real-world executives
- Self assessments to determine strengths and weaknesses
- Family oriented environment
Leadership Development Class

Curriculum includes but not limited to:

- 2 hour class once a week
- 2 credits per semester
- Classes focused primarily on leadership development & and goal oriented progression strategies.
- Course material:
  - “7 Habits of Highly Effective People” by Stephen Covey
  - “Speak As Well As You Think” by John Vautier
- You will be selected a peer mentor for the year

Course Instructors:

**Director:** Tammy Reynolds  
**Associate Director:** Andrew Pueschel
Executive Engagements

- Engagements are weekly, sometimes 2-3 times a week
  - Not mandatory, but **highly recommended**
- Topics range from: Finance, Marketing, HR, entrepreneurship, accounting, etc.
- Hosted by various CEO’s, CFO’s, and job recruiters from large companies
- Benefits:
  - First-hand look into the life of business leaders
  - Learn new aspects of that field
  - Potential internship opportunities
- Previous Speakers:
